

Playing modus

C – youth girls / U15 age class 2004 and younger

Preliminary round:

Two Groups of 6 teams each and two groups of 5 teams each. In each group every team plays against each other. The ranking is determined over the obtained results in each case.

Quarter final:

The winning teams and the second placed teams play crossways based on the k.o. system. If the match is undecided after the regular playing time, then there will be a 11m penalty shoot-out. The winner is qualified for the quarter final; the losers play for the places 5-8.

Semi-final:

The winners of the quarter finals meet in the semi-final as stated on the provided match schedule. One semi final will be played in **Hopfgarten** and the other one in **Westendorf**. If the match is undecided after the regular playing time, then there will also be an 11m penalty shoot-out to decide on the winner. Both winners are qualified for the final, which will be played in **Hopfgarten**.

Match for 3rd and 4th place:

The losers of the semi final play the game for 3rd Place in **Hopfgarten**.

Finale:

The winners of both semi-finals will play the Final match in **Hopfgarten**.

If the match is undecided after the regular playing time, then there will also be an 11m penalty shoot-out to decide on the winner.

11 m – penalty shoot-out:

If a match is undecided after the regular playing time, then there will be an 11m penalty shoot-out immediately, whereby **3 players** of each team, who were on the pitch up to the end of the game, will be chosen. In case of a draw after the shooting of these **3 players**, the penalty shooting continues according to the knock out system, whereby the other players who have been on the pitch up to the end of the match have to be nominated. A player can only kick a second time when all eligible players have shot a penalty. A player is not allowed to be substituted for just the 11m penalty kick.

Placement Games::

The sixth placed teams of each group play for the places **21-22**. Whereby each team has to play 1 game.

The fifth placed teams of each group play for the places **17 – 20**. Whereby each team has to play 2 more games.

The fourth placed teams of each group play for the places **13 – 16**. Whereby each team has to play 2 more games.

The third placed teams of each group play for the places **Plätze 9 – 12**. Whereby each team has to play 2 more games.

The losers of the quarter finals play for the places 5 – 8. The final ranking will also be determined on a direct comparison of the results at the other football ground.

Result comparison:

The following criteria apply:

- 1) higher result after normal playing time
- 2) same result, more scored goals, i.e. 3:1 - better than 2:0
- 3) draw, result after the 11 m penalty shoot-out.

Attention: We ask all teams to appear on time for the placement games. Please show fairness and respect to the other teams and play all placement games regardless for which ranking you play! Should a team not appear to a match, this will result in a 3:0 victory for the opponent and 3 points (group match).

Should it be necessary due to weather conditions, the organizer or the organizing team can shorten the match times or decide the Placement matches with a penalty-shoot out. If there is no other possibility we reserve the right to close the field.

Please note: Being there and taking part means sometimes more than winning at all costs!
