CORDIAL CUP TIROL

Important information for the team leaders, especially parents and companions

Due to some incidents in the past few years, I see myself as the chief organizer of the international Cordial Cup Tirol to point out the following things to you as a trainer and, above all, to the parents and accompanying persons:

In general, it is allowed to bring drinks (mineral water, etc.) for the teams. However, we will also offer a correspondingly favorable offer, especially with regard to the supply for the clubs (mineral water - special price for the use of the teams).

Bringing food etc. is certainly not forbidden, but it shouldn't necessarily be. Cake buffets etc. are brought along. After all, we also offer one on the sports fields rich and extensive range of food and drinks. One should also consider that the co-organizing clubs take the trouble to inform the participating teams to offer something culinary in terms of catering in order to also have some income. I would also like to mention that we try to offer child-friendly prices as much as possible on all sports fields. The disposal of rubbish brought along and things lying around is also not in the interests of the co-organiser on site.

In any case, it is forbidden to take grill machines, coffee machines, etc. with you. These things will be taken from you at the entrance to the sports grounds or you will not be allowed to take them with you. We ask for your understanding, but parents cannot bring coffee machines with them to make the coffee yourself and then also ask, the coffee machine am to want to infect the sports field. Small tents or mini tents are allowed. However, the place where the tent is to be set up must be agreed with the co-organizer on site. It is not allowed to simply take away the beer tables and benches provided for the guests and use them for your own purposes. This can only be done, if at all, in coordination and after consultation with the co-organizing association.

In general, no dogs are allowed at any of the Cordial Cup Tirol venues!

As the chief organizer of the Cordial Cup, I would like to point out that clubs that do not necessarily take our advice seriously, refrain from future participation in the Cordial Cup will take.

We would like to ensure and look forward to a successful tournament and a great experience in the context of the Cordial Cup for all participants - teams, parents and accompanying persons us about every visitor on the sports fields.

Hans Gruebler
Organizer Cordial Cup

PLEASE URGENTLY pass this information on to the parents!

TOURNAMENT REGULATIONS 2022

Hosting Clubs: SC Kirchberg, FC Reith, SC Going, SK St. Johann, FC Söll
FC Kitzbühel, SV Brixen, SV Kirchdorf, SV Westendorf,
FC Oberndorf, SK Pillerseetal

Organisation and Realisation: see above hosting clubs
HG-Sportpromotion, Hans Grüber
Ringstr. 39, 92361 Bergau

It is played according to the international football rules of UEFA.
All games are led by official referees.

<u>Authorised to play:</u>	U 10/11 (E-youth)	born 2011 and younger
	U 12/13 (D-youth)	born 2009/2010
	U 14/15 (C-youth)	born 2007/2008

All players must be in possession of an official player's licence. The player's licences providing prove of identity and age are to be delivered to the Organising Committee together with the filled out players list including the players shirt number. Players licence checks are accomplished by the referees during the tournament. Assignment of not entitled players means disqualification of the player from the tournament and deduction of the won points. Players older than the relevant age class are not entitled to play.

1. Disqualification:

During the match a player can receive a time penalty at the referees discretion (U11/E-youth, U13/D-youth = 2 min., U15/C-youth = 5 min). The team has to play short for the above stated time but then the player can enter the match again. Only the referee can allow the player to come back in again. In case the player receives the red card he is disqualified for the day. Should there be an act of extreme dangerous play or other lack of sportsmanship the tournament organisers can decide to disqualify the player for the whole tournament. This will result in reporting to the respective football federation.

2. Substitutes:

Per match you can change up to **four players**, independently on field player or goal keeper. The substitutes not always have to be the same, they can differ game by game. The total number of team players can therefore be higher as 11 players at the U11s and 15 players at the U13 and U15 teams.

An already changed player can be changed back into the current match, but only when the game is interrupted and the referee acknowledges the substitute.

Please note that there is no block by block change possible (U11) as there can only be 4 substitutes per game.

In case of disregarding the rules on the substitutes this may result in a deduction of points, if there is a justifiable reclamation.

3. Football grounds:

The U11/E-youth plays on a small field (half size field – cross field) with 7 players (6+1), the U13/D- and U15/C-youth play on a normal size football field with 11 players (10+1).

4. **Match-Ball:**

The Cordial Cup Organisers will provide the match ball. The U11 play with size “5 light” and the U13 and U15 with size 5.

All match balls comply with the FIFA –norm.

You have to use your own footballs for training as they are not provided by us.

5. **Shirts:**

The **first mentioned team** on the match schedule determines the shirt colour. Please take two different shirt colours with you for your team.

6. **Match Times:**

Please see appendix to the match schedule.

7. **Preliminary rounds:**

E- youth: There are seven groups of six teams each and one group of seven teams, All teams in a group play against each other. The winner of the match scores 3 points, the loser 0 points and a draw is one point each.

D-youth: There are eight groups of six teams each. All teams in a group play against each other. The winner of a match scores 3 points, the loser 0 points and a draw is one point each.

C-youth: There are eight groups of six teams each. All teams in a group play against each other. The winner of a match scores 3 points, the loser 0 points and a draw is one point each.

The first named team of the match always plays from left to right and begins with kick-off. The respective tournament organisers at the football grounds decide this on the local situation.

If a team does not appear to the match on time as stated on the match schedule, the respective game will be decided in favour to the other team with 3:0 goals and 3 points. It's every team coach's own responsibility to check the match schedule and tournament regulations.

Offside rule does not apply for the age group U11/E-youth.

U11 back-pass rule: Back pass is allowed but the keeper is not allowed to pick up the ball with his hands after a back-pass. This also applies to throw-ins! **At the goal keepers kick-out, if the ball crosses the middle line there is a penalty on the point where the ball crossed.**

8. **Placement Games/Tables – final score**

If teams have scored equal points after having finished the preliminary rounds, then the direct comparison decides (points). If this is also alike, then the goal difference, then the more scored goals and then the 9m or 11m penalty kick decides on the group placement.

Should there be more than two teams equal then a separate table decides on the ranking of the teams (points situation in direct comparison, more scored goals i.e. 7:6 is better than 6:5 etc.)

Is there also a tie, then there will be in the extreme case a 9m or an 11m penalty shoot-out, which is set right after the last placement game, to decide on the further ranking. NEW UEFA rule!

9. **Awards:**

The respective winners in each age group receive the challenge CORDIAL Cup Trophy as well as the invitation to participate on the Cordial Cup in the coming year (overnight accommodation/half board for 16 players and 3 team managers or 11 players and 3 team managers (U11) for free!

Furthermore, the winners receive a Cordial Cup specialised gold medal, the runner-up teams a silver medal and the third placed teams are honoured with a bronze medal.

All other players are likewise honoured with a tournament medal in remembrance of this tournament.

Further prizes are given to the best player and best goal keeper of each age group.

We ask you kindly, that all teams/players are present at the closing ceremony in order to receive a medal. Medals will not be sent on.

10. **Tournament Committee:**

A tournament Committee will be established consisting of the organiser, one representative of the respective hosting club and one representative of the referees who decide immediately over any discrepancies.

At the different football grounds the respective representatives of the hosting clubs together with the tournament committee can decide immediately over any discrepancies.

11. **Other matters:**

CORDIAL CUP TIROL

Playing mode **C – Jugend / U 15 Jahrgang 2007/2008**

Preliminary round:

Eight groups of 6 teams each. In each group every team plays against each other. The ranking is determined over the obtained results in each case.

Last sixteen:

The winning teams and the second placed teams play crossways based on the k.o. system. If the match is undecided after the regular playing time, then there will be a 11m penalty shoot-out. The winner is qualified for the quarter final; the losers play for the places 9-16.

Quarter final:

The winners of the last sixteen round meet as stated on the provided match schedule. If the match is undecided after the regular playing time, then there will be a 11m penalty shoot-out immediately to decide which team goes through to the semi final. The losers play for the places 5-8.

Semi-final:

The winners of the quarter finals meet in the semi-final as stated on the provided match schedule. One semi final will be played in **St. Johann in Tirol** and the other one in **Fieberbrunn**. If the match is undecided after the regular playing time, then there will also be an 11m penalty shoot-out to decide the winner.

Both winners are qualified for the final, which will be played in **St. Johann**.

Match for 3rd and 4th place: This match will not be played; the team with the better results in the semi-final, i.e. 1:2 is better than 0:1, is on 3rd place! Loosing by penalty shooting is to be considered at the evaluation as the better result.

Final:

Both winners of the semi finals play the final in **St. Johann**. If the match is undecided after the regular playing time, then there will be a 11m penalty shoot-out.

11 m – Penalty shoot-out:

If a match is undecided after the regular playing time, then there will be an 11m penalty shoot-out immediately, whereby **3 players** of each team, who were on the pitch up to the end of the game, will be chosen. In case of a draw after the shooting of these **3 players**, the penalty shooting continues according to the knock out system, whereby the other players who have been on the pitch up to the end of the match have to be nominated. A player can only kick a second time when all eligible players have shot a penalty. A player is not allowed to be substituted for just the 11m penalty kick.

CORDIAL CUP TIROL

Placement Games:

The respective group sixths play for places 41 - 48. Each team has 2 more games to play. The final placement game will determine the final placement compared to the other placement game. That means, for example, that a 2:1 is better in comparison than a 1:0 or a 2:3 is better than a 0:1.

The fifth in each group play for places 33 - 40. Each team has 3 more games to play. The respective place will be played!

The fourth in each group play for places 25 - 32. Each team has 3 more games to play. The respective place will be played!

The third parties in each group play for places 17 – 24. Each team still has one play 2 games. The final placement game will determine the final placement compared to the other placement game. That means, for example, that a 2:1 is better in comparison than a 1:0 or a 2:3 is better than a 0:1.

The losers of the round of 16 play for places 9 - 16. Each team still has play 2 games. Since we are playing at two different locations here, the final tournament placement will be determined by comparing the results with the other location.

The losers of the quarter-finals then have another game for places 5 – 8. The final one Place is also determined here by comparing the results with the game at the other location.

Result comparison:

The following criteria apply:

- 1) higher result after normal playing time
- 2) same result, more scored goals, i.e. 3:1 - better than 2:0
- 3) draw, result after the 11 m penalty shoot-out.

Attention: We ask all teams to appear on time for the placement games. Please show fairness and respect to the other teams and play all placement games regardless for which ranking you play! Should a team not appear to a match, this will result in a 3:0 victory for the opponent and 3 points (group match).

Should it be necessary due to weather conditions, the organizer or the organizing team can shorten the match times or decide the Placement matches with a penalty-shoot out. If there is no other possibility we reserve the right to close the field.

Please note: Being there and taking part means sometimes more than winning at all costs!

TOURNAMENT REGULATIONS 2022 11. INTERNATIONAL CORDIAL GIRLS CUP

Hosting Clubs: SPG Hopfgarten/Itter + SV Westendorf

Organisation and Realisation: HG Sportpromotion, Hans Grüberl
Ringstr. 39, D-92361 Berggau

It is played according to the international football rules of UEFA. All games are led by official referees. The girls play with a Cordial Girls Cup match ball size 5.

Playing venues: SPG Hopfgarten/Itter, Marktgasse 22 a; A 6361 Hopfgarten
SV Westendorf, Vorderwindau 2, A 6363 Westendorf

Authorised to play: U14/15 (girls C– youth) born 2007/2008 and younger

All players must be in possession of an official player's licence. The player's licences providing prove of identity and age are to be delivered to the Organising Committee together with the filled out players list including the players shirt number. Players licence checks are accomplished by the referees during the tournament. Assignment of not entitled players means disqualification of the player from the tournament and deduction of the won points.

Disqualification:

During the match a player can receive a time penalty at the referees discretion (5 min). The team has to play short for the above stated time but then the player can enter the match again. Only the referee can allow the player to come back in again.

In case the player receives the red card he is disqualified for the day. Should there be an act of extreme dangerous play or other lack of sportsmanship the tournament organisers can decide to disqualify the player for the whole tournament. This will result in reporting to the respective football federation.

Substitutes:

Per match you can change up to **four players**, independently on field player or goal keeper. An already changed player can be changed back into the current match. The total number of team players on the players list can be higher as 15 players, as theoretically other players can play the next match.

Shirts:

The **first mentioned team** on the match schedule determines the shirt colour. Please take two different shirt colours with you for your team.

Match-table:

U15/C-youth girls play on a normal size field with 11 players (10+1)

The first named team of the match always plays from left to right and begins with kick-off. The preliminary round will be played in **four groups of 4 teams** each, whereby all teams in a group play against each other. The winner of a match scores 3 points, the loser 0 points and a draw is one point each.

Should there be more than two teams equal then a separate table decides on the ranking of the teams (points situation in direct comparison, more scored goals i.e. 7:6 is better than 6:5 etc.) Is there also a tie, then there will be in the extreme case an 11m penalty shoot-out, which is set right after the last placement game, to decide on the further ranking. NEW UEFA rule!

Final:

Both winners of the semi-final play the final. The Cordial Cup Girls final will be held together with the Cordial Cup finals **in St. Johann**.

Placement games:

The **fourth placed** teams of each group play for the places **13 – 16**

The **third placed** teams of each group play for the places **9 – 12**.

The **winners and second placed** teams play the quarter-final!

The **winners** of the quarter finals play the semi-finals and determine the final participants!

The **losers** of the quarter finals play for the places **5-8**

The **winners of the semi-finals** play the final, the **losers** play for the places **3 and 4**.

All placement games incl. the finals will be decided on an 11m penalty shoot-out, if a match is undecided after the regular playing time, whereby **3 players** of each team will be nominated who take the penalty until a decision has been made. If both teams have scored the same number of goals after 3 penalties, they continue until a team scores one more goal by taking the same number of penalties.

Awards:

The Award Ceremony for all teams takes place at the big Award Ceremony in **St. Johann for places 1-3**, the Award Ceremony for places 4-16 takes place in Hopfgarten after the game for 3rd place.

The respective winning team receives the challenge CORDIAL CUP Trophy, a gold medal for each player and the invitation to participate at the Cordial Girls Cup 2023 (overnight accommodation/half board for 16 players and 2 team managers) for free!

The runner-up teams receive a silver medal and the third placed teams are honoured with a bronze medal.

All other players are likewise honoured with a tournament medal in remembrance of this tournament. Further prizes will be given to the "Player of the match" in the final.

Tournament Committee:

A tournament Committee will be established consisting of the organiser, one representative of the participating teams and one representative of the hosting club who decide immediately over any discrepancies.

Changing rooms:

There are changing rooms at the hosting clubs. Please have understanding that there is limited space because of so many teams. We assume no liability for valuable articles and clothes

Meals:

For lunch (Saturday) you receive vouchers for your team and team coach. The meal times depend on the program of the individual teams and after consultation with the representative of the hosting club, meal times will be set at the respective host club.

The hosting club will provide food at very reasonable costs so please be aware that it is not necessary to bring your own food or drinks.

On Sunday you have to make your own meal arrangements as we play on different football grounds and time tables differ.

Other matters

The opening ceremony takes place at the stadium in Kirchberg on Friday 3rd June 2022. The teams will march in at 20.00 hours from the town center in Kirchberg to the stadium.

Because of the far distance it is at your discretion if you want to take part on this – but it would be very nice, if you could take the time.

The teams will receive the listing on which place they march in.

Entrance fee:

For players and team managers the entrance is free. You will receive admission tickets before the actual games. The entrance fees for accompanying persons are the same on all sport sites but you only have to pay once, i.e. you pay in Hopfgarten you can also visit all other sport sites on the same day but you do not have to pay again.

Quarter final:

The winning teams and the second placed teams play crossways based on the k.o. system. If the match is undecided after the regular playing time, then there will be a 11m penalty shoot-out. The winner is qualified for the quarter final; the losers play for the places 5-8.

Semi-final:

The winners of the quarter finals meet in the semi-final as stated on the provided match schedule. Both semi finals will be played in **Hopfgarten**. If the match is undecided after the regular playing time, then there will also be an 11m penalty shoot-out to decide on the winner. Both winners are qualified for the final, which will be played in **St. Johann**.

Match for 3rd and 4th place:

The losers of the semi final play the game for 3rd Place in **Hopfgarten**.

Finale:

If the match is undecided after the regular playing time, then there will also be an 11m penalty shoot-out to decide on the winner.

11 m – penalty shoot-out:

If a match is undecided after the regular playing time, then there will be an 11m penalty shoot-out immediately, whereby **3 players** of each team, who were on the pitch up to the end of the game, will be chosen. In case of a draw after the shooting of these **3 players**, the penalty shooting continues according to the knock out system, whereby the other players who have been on the pitch up to the end of the match have to be nominated. A player can only kick a second time when all eligible players have shot a penalty. A player is not allowed to be substituted for just the 11m penalty kick.

Placement Games:

The fourth placed teams of each group play for the places **13 – 16**. Whereby each team has to play 2 more games.

The third placed teams of each group play for the places **9 – 12**. Whereby each team has to play 2 more games.

The losers of the quarter finals play for the places 5 – 8. The final ranking will also be determined on a direct comparison of the results at the other football ground.

- 1) higher result after normal playing time
- 2) same result, more scored goals, i.e. 3:1 - better than 2:0
- 3) draw, result after the 11 m penalty shoot-out.

Attention: We ask all teams to appear on time for the placement games. Please show fairness and respect to the other teams and play all placement games regardless for which ranking you play! Should a team not appear to a match, this will result in a 3:0 victory for the opponent and 3 points (group match).

Should it be necessary due to weather conditions, the organizer or the organizing team can shorten the match times or decide the Placement matches with a penalty-shoot out. If there is no other possibility we reserve the right to close the field.
