Tournament regulations 2025

Organizers: SC Kirchberg, FC Reith, SC Going, SK St. Johann, FC Söll, SC Ellmau
FC Kitzbühel, SV Brixen, SV Kirchdorf, SV Westendorf, FC Oberndorf,
SK Pillerseetal

Organization and execution: above mentioned clubs and HG-Sportpromotion, Hans Grübler
ring road 39, D-92361 Berggau

The game is played according to the usual international football rules. All games are officiated by official referees.

Eligibility to play:

U 10/11 (E-Youth) born 2014 and younger

U 12/13 (D youth) born 2012/2013

U 14/15 (C youth) born 2010/2011

All players must be in possession of an **official player ID**. The player passes or the digital player eligibility list are available before the tournament begins, along with a completed tournament match report sheet submitted to the tournament director. Players' shirt numbers should match the information on the score sheet. Eligibility controls will be enforced throughout the tournament carried out by the judges. The use of ineligible players means that the player will be excluded from the tournament and the points won will be deducted for the team. **The use of redated players** is not allowed. This means that only the respective age group is eligible to play in the corresponding age group.

Use of girls: girls are allowed to play with the boys in every age group.

These may be 1 year older, i.e. U 15 born in 2009, U 13: born in 2011; U 11: Born in 2013

Guest players: the use of guest players is allowed if it is within limits and for the player a playing permit for the period of the Cordial Cup is available. The players concerned must both present the permit and be able to identify their age.

Game Ban:

At the discretion of the referee, a player may be given a time penalty (U11/E-Jgd./ U13/D-Jgd.=2 min.; U15/C-Jgd.=5 min.) be excluded during the game, may return to the game after the time penalty has expired. A field reference to time can do both without prior or after a warning (yellow card). A warning after a FaZ is not permitted. This is followed by a permanent dismissal (red card). A second reference to time is not permitted! For the excluded time, the affected team may not use another player and must therefore continue playing in the corresponding minority. Only the referee can allow the player to re-enter the game after the time penalty has expired. If a player receives the red card, this means the exclusion for the respective game day. However, if there is a gross violation, such as assault or gross unsportsmanlike conduct, the overall tournament management can determine a complete tournament exclusion. This is also linked to reporting the incident to the respective football association.

player change:

In order to enable more playing time and to optimize the development of the players, each team can use all players (regardless of whether they are field players or goalkeepers) that are listed on the score sheet. However, only two substitution windows per team may be used per game, which must be reported to the referee during a break in the game. A substituted player may be substituted back for the current game, but only in the team's second substitution window.

In the final games (eighth, quarter, semi-finals and final), the half-time break may also be used as a third substitution window. If a player is injured, he may be replaced without taking into account the two substitution windows, but it is not possible for this player to be substituted back.

A violation of the substitution regulations can lead to a point deduction in the event of a justified protest against the game scoring.

Matchfield:

The U11/E-Jugend plays on a small field (cross-field half) with 7 players (6 +1)

in the U13/D youth and U15/C youth on a large field with 11 players. (10+1)

CORDIAL CUP TIROL

Tournament Rules 14th International Cordial Girls Cup

Organization and implementation: SPG Hopfgarten/Itter and SV Westendorf

HG sports promotion, Hans Grübler
ring road 39, D-92361 Berggau

The game is played according to the international football rules of UEFA. All games are officiated by certified referees. Match ball is the Adidas Tiro Ball - Gr. 5.

Venues: SPG Hopfgarten/Itter, Marktgasse 22 a; A 6361 Hopfgarten
SV Westendorf, Vorderwindau 2, A 6363 Westendorf

Eligibility to play: U 14/15 (C– juniors) born 2010/2011 and younger

All players must be in possession of an **official player ID**. The player passes or the digital player eligibility list must be submitted to the tournament management before the start of the tournament together with a completed tournament game report form. Players' jersey numbers should match the information on the score sheet. Eligibility checks are carried out by the referees during the tournament. The use of ineligible players means that the player will be excluded from the tournament and the points won will be deducted from the team.

Guest players: the use of guest players is permitted if it is kept within limits and the player has a playing license for the period of the Cordial Girls Cup.

The players concerned must present both the authorization and be able to identify their age.

Game Ban:

Depending on the referee's discretion, a player with a time penalty (=5 minutes) can be excluded during the game, but may return to the game after the time penalty has expired. A temporary field reference can be issued either without a previous warning or after a warning (yellow card). A warning after a FaZ is not permitted. This is followed by a permanent dismissal (red card). A second reference to time is not permitted! For the excluded time, the affected team may not use any other player and must therefore continue playing in the corresponding minority. Only the referee can allow the player to re-enter the game after the time penalty has expired. If a player receives the red card, this means the exclusion for the respective game day. However, if there is a gross violation, such as assault or gross unsportsmanlike conduct, the overall tournament management can determine a complete tournament exclusion. This is also linked to reporting the incident to the respective football association.

player change:

In order to enable more playing time and to optimize the development of the players, each team can use all players (regardless of whether they are field players or goalkeepers) that are listed on the score sheet. However, only two substitution windows per team may be used per game, which must be reported to the referee during a break in the game. A substituted player may be substituted back for the current game, but only in the team's second substitution window.

In the final games (eighth, quarter, semi-finals and final), the half-time break may also be used as a third substitution window.

If a player is injured, he may be replaced without taking into account the two substitution windows, but it is not possible for this player to be substituted back.

CORDIAL CUP TIROL

A violation of the substitution regulations can lead to a point deduction in the event of a justified protest against the game scoring.

Playing attire:

The team named first in the pairing determines the jersey colour. Please be sure to bring two sets of jerseys in different colors with you. If necessary, colored fitters are used. These will be provided by the tournament management on site.

Game schedule:

The C-Juniors U 15 (10 + 1) play on a normal playing field (large field). The first named team kicks off and always plays from left to right. The preliminary round is played in four groups of five, with everyone competing against everyone else. The winner of a game receives three points, the loser 0 points. In the event of a tie, each team receives 1 point. If there is a tie on points after the end of the preliminary round, the direct comparison decides in the case of two teams with the same number of points; if several teams have the same number of points, a separate table of the teams with the same number of points decides on the final placement! Here, too, the goal difference is the first to be evaluated. If there is also a tie on goal difference, the more goals scored are decisive. If there is a tie here too, the final table of all teams in the group decides first and should there also be a tie, an 11 m shoot-out over the group placement. **UEFA rule!**

DER FOKUS VON ZUKUNFTSTIFTEN *Community leben & Werte fördern*

Mit der **Initiative zukunftstiften** nimmt die vion GmbH ihre soziale Verantwortung wahr und will damit Wege für nachkommende Generationen bereiten. Die Aktion zukunftstiften hilft dort, wo es wichtig ist:

Direkt bei den Sportvereinen und Unternehmen, direkt beim Nachwuchs. Diese unmittelbare Form der Unterstützung findet in enger Kooperation mit dem Cordial-Cup – einem der größten Fußball-Nachwuchsturniere Europas – und der Partner Bank AG aus Linz statt.

„Durch die Förderung der Community und das Leben von Werten schätzen wir das Ehrenamt und stärken die Gesellschaft. Ein verantwortungsvoller Umgang mit Geld, ein klimafreundlicher Lebensstil und eine ausgewogene Ernährung sind persönliche Entscheidungen und Ausdruck gemeinschaftlicher Verantwortung. In über 40 Jahren Vereinstätigkeit war es mir stets ein Anliegen, diese Grundpfeiler an die nächsten Generationen weiterzugeben und so einen sozialen Beitrag zu leisten.“
