Dear athletes, dear football fans from all over the world!

Football is a sport that is of great social importance for society: Children learn from a young age what team spirit, fair play and solidarity mean. This is exactly where the traditional Cordial Cup Tirol comes in.

For the 25th time, junior teams from all over Europe meet in the Kitzbühel Alps and around the Wilder Kaiser. Youth teams from well-known European football clubs, from FC Bayern Munich to Eintracht Frankfurt, will compete against each other in front of the fantastic mountain backdrop. As Sportland Tirol, we are proud to be the venue for one of the largest youth football tournaments in Europe.

As the responsible sports officer, it is particularly important to me to get children and young people excited about sports and exercise. In doing so, we not only take into account the importance of sport, but also ensure that children and young people grow up in an active way and promote performance and talent!

With this in mind, I would like to thank the organizational team around Hans Grübler for organizing this traditional football tournament and express our thanks and appreciation to all officials, sponsors and coaches for their exemplary commitment to youth work. I keep my fingers crossed for all participating players and wish them a lot of success and joy!

submitted to the tournament director. Players' shirt numbers should match the information on the score sheet. Eligibility controls will be enforced throughout the tournament

carried out by the judges. The use of ineligible players means that the player will be excluded from the tournament and the points won will be deducted for the team. **The use of redated players** is not allowed. This means that only the respective age group is eligible to play in the corresponding age group.

Use of girls: girls are allowed to play with the boys in every age group.

A second reference to time is not permitted! For the excluded time, the affected team may not use another player and must therefore continue playing in the corresponding minority. Only the referee can allow the player to re-enter the game after the time penalty has expired.

If a player receives the red card, this means the exclusion for the respective game day.

However, if there is a gross violation, such as assault or gross unsportsmanlike conduct, the overall tournament management can determine a complete tournament exclusion.

This is also linked to reporting the incident to the respective football association.

CORDIAL CUP TIROL

Tournament Rules 12th International Cordial Girls Cup

Organization and implementation: SPG Hopfgarten/Itter and SV Westendorf

HG sports promotion, Hans Grübler
ring road 39, D-92361 Berggau

The game is played according to the international football rules of UEFA. All games are officiated by certified referees. Match ball is the Cordial Girls Cup Ball - Gr. 5.

Venues: SPG Hopfgarten/Itter, Marktgasse 22 a; A 6361 Hopfgarten
SV Westendorf, Vorderwindau 2, A 6363 Westendorf

Eligibility to play: U 14/15 (C– juniors) born 2008/2009 and younger

All players must be in possession of an **official player ID**. The player passes or the digital player eligibility list must be submitted to the tournament management before the start of the tournament together with a completed tournament game report form. Players' jersey numbers should match the information on the score sheet. Eligibility checks are carried out by the referees during the tournament. The use of ineligible players means that the player will be excluded from the tournament and the points won will be deducted from the team.

Guest players: the use of guest players is permitted if it is kept within limits and the player has a playing license for the period of the Cordial Girls Cup.

The players concerned must present both the authorization and be able to identify their age.

Game Ban:

Depending on the referee's discretion, a player with a time penalty (=5 minutes) can be excluded during the game, but may return to the game after the time penalty has expired. A temporary field reference can be issued either without a previous warning or after a warning (yellow card). A warning after a FaZ is not permitted. This is followed by a permanent dismissal (red card). A second reference to time is not permitted! For the excluded time, the affected team may not use any other player and must therefore continue playing in the corresponding minority. Only the referee can allow the player to re-enter the game after the time penalty has expired. If a player receives the red card, this means the exclusion for the respective game day. However, if there is a gross violation, such as assault or gross unsportsmanlike conduct, the overall tournament management can determine a complete tournament exclusion. This is also linked to reporting the incident to the respective football association.

player change:

Up to 4 players may be substituted per game, regardless of field player or goalkeeper. A return exchange during the game is possible. However, there can be more than 15 players on the score sheet, since theoretically other players can be used in the next game.

Playing attire:

The team named first in the pairing determines the jersey colour. Please be sure to bring two sets of jerseys in different colors with you. If necessary, colored fritters are used. These will be provided by the tournament management on site.

CORDIAL CUP TIROL

Game schedule:

The C-Juniors U 15 (10 + 1) play on a normal playing field (large field). The first named team kicks off and always plays from left to right. The preliminary round is played in a group of five and three groups of four, with everyone competing against everyone else. The winner of a game receives three points, the loser 0 points. In the event of a tie, each team receives 1 point. If there is a tie on points after the end of the preliminary round, the direct comparison decides in the case of two teams with the same number of points; if several teams have the same number of points, a separate table of the teams with the same number of points decides on the final placement! Here, too, the goal difference is the first to be evaluated. If there is also a tie on goal difference, the more goals scored are decisive. If there is a tie here too, the final table of all teams in the group decides first and should there also be a tie, an 11 m shoot-out over the group placement. **UEFA rule!**

Final:

The two winners of the semi-finals contest the final. The final will be part of the Finals of the Cordial Cup Tirol held **in St. Johann**.

Placement Matches:

All placement games take place according to the schedule. In the event of a tie after regular tournament play, an immediate 11m shootout will be conducted. Each team designates three players to take the shots on goal, who will take the penalty shootout until the decision is made. If both teams have scored the same number of goals after three 11m, other players from the squad that was on the pitch at the time the game ended will compete and decide in a knockout system.

Preise:

Die Siegerehrung für die Mannschaften auf den Plätzen 4-16 findet im Anschluss an das Spiel um Platz 3 und 4 in **Hopfgarten** statt. Die drei Erstplatzierten Mannschaften werden im Rahmen der großen Siegerehrung in **St. Johann** geehrt. Der Turniersieger erhält den **Wanderpokal** sowie pro Spielerin die Goldmedaille des Cordial Girls Cup. Die Siegermannschaft wird zum **Cordial Girls Cup 2024 inkl. Übernachtung/HP kostenfrei für 16 Spielerinnen + 3 Trainer eingeladen**. Die 2.platzierte Mannschaft erhält die Silbermedaille und die 3.platzierte die Bronzemedaille. Alle weiteren teilnehmenden Mannschaften erhalten ebenso eine Turniermedaille pro Spielerin. Ebenso wird im Rahmen des Finalspiels die Auszeichnung „**Player of the match**“ verliehen!

Tournament Committee:

In the event of any disagreements, the tournament committee, which consists of the chief organizer, a representative of the participating clubs and a representative of the organizing clubs, will decide.

Changing facilities:

Changing facilities will be provided by the organizing clubs. Please understand that the changing facilities are limited due to the large number of participating clubs. The organizer assumes no liability for valuables and clothing.

These players are to be nominated from among the other players who were on the pitch at the end of the game.

Placement Matches:

The fifth in the group and the fourth and third in the group play for the remaining positions. The exact fixtures can be found in the schedule. In the case of cross comparisons, the respective last result in the parallel comparison is taken. The following criteria are used here:

Result comparison:

- 1.) higher result after normal placement playing time
- 2.) same result - more goals scored: 3:1 is better than 2:0
- 3.) draw, evaluation after exit 11 m shooting

Attention:

We ask all teams to be in good time for the respective placement games to compete. Because of sporting fairness and above all for the sake of the opponent, we ask the teams politely to play every placement game, regardless of it for which place is played! If a team does not play a game, the game is rated 3:0 for the opponent or 3 points (group game)!

Should it be necessary due to the weather, the organizer or the organization team can shorten the playing times or, if necessary, allow placement games to be played on penalties. In extreme emergencies even block the place.

Please note: Being there is sometimes worth more than being a "winner"!
